<p> The fairy seemed confused. It followed buster around, wildly slashing. Buster had had enough. He grabbed his sock, stuffed a rock inside and made a handle of duct tape, and began pelting the fairy. </p>
</body>

Chapter 8 by Wonder Story - In College

Java

```
public class Information_Class
{
public static void main(String[] args)
{
System.out.println("The blue fairy surrounded herself in a magic shield, politely waiting for the attacks to stop. Buster eventually got tired and conceded to the fairy.");
System.out.println('"What was the grave danger?" Buster asked.');
System.out.println('"The red fairy that has just captured Dave," she replied. She brought up magical footage of an unconscious Dave that was about to be eaten by a mean-looking man glowing red.');
System.out.println('"I don't care about him anymore. He abandoned me." Buster said, looking into the distance.');
}
}
```

the end
